Correction.

The President of the City Conneil did not state at the last meeting that the K. C. Kaifroad owed the city \$7,000 for taxes. He stated under the proper order of deferred husiness that the Kentucky Central Ratioval had passed into the bands of a receiver and he had seen in the schedule of liabilities that it owed several thousand dellars for taxes and he did not know when the amount due our city would be pabl. In fact the railroad owes the city for 1884 and 1885, \$2375 for each year with 5 per cent, added, making \$750 taxes and \$37.50, penalty, or \$787.50 in all and a bill for this amount was made out by the President af weeks ago at the requires of the agent and was handed to Mr. Ficklin. Will the Republican and Eagle please correct?
